Hello Pastor and/or Parish Administrator,

This year, our 2019 #iGiveCatholic is scheduled on Tuesday, December 3, and preparations are underway! We cannot wait to see what this fourth annual day of giving has in store for the parishes, schools, and nonprofit ministries in the Diocese of San Diego To participate...

- Have you or someone in your parish activated your profile page! On August 19, GiveGab, the #iGiveCatholic platform provider, emailed you a link to log in to your page. If you had not registered before September 23, they sent a second email reminder. If you missed the emails, did not receive them, or have questions about filling in your profile page, please contact me as soon as possible at [maguilar@sdatholic.org]. **Deadline Note: Online registration closes Oct. 31!**
- Listen to and/or sign up for a training! As you begin planning for the giving day, we strongly encourage you to take advantage of available training opportunities. Pre-recorded webinar options can be found on the #iGiveCatholic Trainings page.
