

W2G – Acceptable Forms of Identification

As verification of the name, address, and TIN of the person receiving the winnings, enter the identification numbers from two forms of identification.

Acceptable forms of identification include a driver's license, passport, social security card, military identification card, tribal member identification card issued by a federally recognized Indian tribe, voter registration card, or completed and unmodified Form W-9. Enter the number and the state or jurisdiction. In some instances, the number may be the same number as in box 9. One of the two forms of identification that the recipient presents must include the recipient's photograph.

Gaming establishments owned or licensed by a tribal government may waive the photo ID requirement for payees who are members of that federally recognized Indian tribe and present a tribal member identification card issued by the same tribal government.
